RE: Water Right No. 95-8735--Updated Preliminary recommendation

Dear Craig,

Just a note to say thank you again for helping me in the adjudication process on March 7th for the Eagle Crest Water Users Association, claim no. 95-8735. You discovered an error and corrected it.

The updated preliminary recommendation you sent on March 13th under "explanatory material" appears to be correct.

It was a pleasure to meet you, and again—thanks so much for your help.

Sincerely,

Gloria LeKander

Eagle Crest Water Users Association
