RE CHANGE OF OWNERSHIP

When I received the Notice of Error Reply for the above water right, Harold Smith noted he no longer owned this property. When I looked it up in ArcMap, no name was listed. I looked at the Kootenai County Assessor website and nothing is found when I enter the parcel # or the address. It comes up as "No Records Found". I don't know who the new owner is, so I can't send a change of Ownership.
