1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

I don't believe we should be restricted to a specific Quantity on our own property for our own well!

2. Describe the changes you wish to make in the proposed recommendation:

Should be unlimited Quantity

3. Give a brief explanation as to why you disagree with these portions:

We have ten acres. If I want to plant an Orchard, etc. I should be able to and not worry about how much water I use from my own well.

☒ I AGREE with this proposed recommendation: no changes need to be made.
