Dear Mr. Fritschle,

Please find and accept enclosed Notice of Error Reply for the following water rights:

95-9464
95-9602
95-9679
95-9781
95-9875
95-9722
95-9780

We were unable to submit these documents to your office on March 30, 2018 since we were out of United States for business purposes. We arrived back in Northern Idaho on April 12, 2018 and this was our first opportunity to review the Adjudication Preliminary Recommendation of Water Rights Acquired.

We agreed with these recommendations for all the water rights with the exception of 95-9722 and 95-9780. These diversions are still in place and being used for beneficial uses allowed by these water rights.

Sincerely
