Please type or print clearly, fill out this form completely and mail.

Return this reply form to IDWR by the deadline date printed below if you want IDWR to change your recommendation or you want to let IDWR know that you agree with its recommendation.

YOUR DEADLINE FOR RETURNING A NOTICE OF ERROR REPLY IS: March 30, 2018

Water right number: 95-9722

UEBERROTH FAMILY TRUST
C/O MR AND MRS PETER UEBERROTH
PO BOX 100
LAGUNA BEACH CA 92652-0100

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Right No.95-9722 is currently used for Irrigation on 46 acres of property. The property has been in production of hay for the past 20 years and the water from this diversion is used to irrigate the hay crop. The diversion is correct, 1 cfs. Other beneficial uses include filling the stock watering pond on the property. The priority date, 05/01/1967 is correct.

2. Describe the changes you wish to make in the proposed recommendation:

Reestablish and recognize the beneficial use. The recommendation of no beneficial use is incorrect, the water has been used continuously since 1967 for irrigation and stock watering.

3. Give a brief explanation as to why you disagree with these portions:

It is not clear why there is a recommendation of no beneficial use. The water diverted has been used for irrigation and stock water since 1967 and is being used currently. The diversion for irrigation and stock watering was upgraded approximately 2 years ago.

___ I AGREE with this proposed recommendation: no changes need to be made.
