RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-199

Dear Water Right Claimant(s),

The Notice of Claim to a Water Right identified with the number shown above was submitted for the use of water from Hayden Lake for domestic purposes with a claimed priority date of July 18, 1933. This claim was filed by Rockaway Investments in 2009 based on a previously decreed water right. A second claim was recently filed by the owners of a neighboring property for the same water right. After further review, the department has concluded that a portion of Water Right No. 95-199 is appurtenant to that property also. As a result, your CSRBA Water Right Claim has been renumbered to 95-199A. Please reference this new claim number with all future correspondence. Enclosed is a copy of the revised preliminary recommendation of your claim so you may review the updated information in the document.

Please contact me if you have any questions or concerns regarding the changes made. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
