RE: Snake River Basin Adjudication
Gooding County

Dear Mr. and Mrs. Park:

A37-12565

Your Notice of Claim to a Water Right for your property in Gooding County and receipt No. S002234 are returned.

You are given the opportunity to withdraw this claim. Any water right developed from a groundwater source after 1963, for any use other than single family domestic use, is required to have an application for permit filed. We can find no record of a permit for this property. The claim you have presented conflicts with the Ground Water Statute at §42-230, Idaho Code, and Water Appropriation Rules and Regulations, paragraph 2,15.

Your claim does not clarify if the irrigation of .12 acres is associated with a residence or not. Also, please clarify if the amount is actually .12 or .30 acre. If the irrigation is not associated with a residence, it is possible that the claim would be disallowed since the water right was not developed through the statutory procedures.

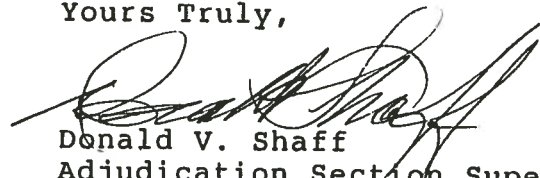

I have enclosed an application for permit, with instructions for your use in this matter. If you will return the completed forms to the Department of Water Resources, Southern Region Office, 2148 Fourth Avenue East, Twin Falls, ID 83301, we will be happy to proceed.

Should you wish to pursue before the court the exact water right you have presented on this claim, please return it with your check instead, to this office at my attention before March 17, 1989. If you comply with this extended deadline, you will not be assessed a late filing fee. Please do not hesitate to contact this office if you have any questions or concerns.
