RE: SRBA Claim

Dear Claimant:

Please find enclosed your adjudication claim and your check #*425 credit toward* for \$. We are returning these to give you the opportunity *app.* to withdraw the claim as originally filed. Since May 20, 1971 it has been required by law to apply for a water right permit to establish a water use from a surface water source.

Since we can find no record of a permit or license for the use you describe, the Department, in its final report to the court, would be forced to recommend that your claim be rejected.

At this point please consider the following options:

Return the claim as filed understanding that the Department will recommend the claim be rejected. Upon rejection you can pursue litigation.

Record the use now by filing for an application for permit.

~~(Please contact our office for forms, instructions or assistance).~~

forms enclosed with instructions

If you choose to file the adjudication claim, you will need to return it ~~with the correct fee~~ within 30 days from the date of this letter or the claim will be considered late and subject to additional late fees which could be \$50.00 or more. In returning claims please attach a copy of this letter. Please call if you have questions.

Sincerely,

Lori White
