CUSTOMER

Dilworth, Leslie

SUBJECT: A37-12614

phone call (x) walk-in (.)

She called to ask about irrigating 2 acres at or near their home, home is on Lot 2, Block 2.. The well (drilled in 1963 according to Dilworth's) appears to be on Lot 7, Block 2 in the Deer Creek S/D No. 2, and is owned by Wilderness Development Corporation. According to Dilworth's, they are the only ones tapped into the well and all the other lot owners have their own well. I said that their use is culinary (per adjudication claim) and they are limited to $\frac{1}{2}$ acre of irrigation.

I suggested Lee Peterson @ District 37 per canal shares and/or transferring active water rights on to their lot.
