Dear Mr. or Ms. Eidson,

This email is to inform you that the ownership change has been completed on this claim and that I have also made the necessary changes to your water right to show that the well is on the Jiru property.

The well location information is reflected on three of the four owners and I have contacted the fourth well user, Kim Johnson, to obtain an amended claim showing that they also share that well.

Be sure to contact me if I can be of further assistance.
