RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-448

Dear Claimants,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right identified with the number shown above was submitted for the use of water from a spring for the irrigation of 2 acres, based on a previously decreed water right. In your Notice of Error Reply, you requested to move the recommended place of use (POU) from the SE $\frac{1}{4}$ NE $\frac{1}{4}$, sec. 35, T. 52 N, R. 03 W to the SW $\frac{1}{4}$ NE $\frac{1}{4}$, sec. 35, T. 52 N, R. 03 W. As this change relocates the POU from where it was last claimed, an Amended Notice of Claim to a Water Right form must be submitted before the requested change can be made. Additionally, amending your claim from how it was originally decreed will require a filing fee of **\$52.00**. We will move forward with the requested changes to your CSRBA Water Right claim recommendation once the amended notice of claim along with appropriate filing fees are received. For your convenience, I have enclosed a Notice of Claim to a Water Right form for you to amend your claim.

PLEASE NOTE: If the amended claim form and filing fee are not submitted within 30 days, this claim will be recommended to the Court as it currently stands.

If you have any questions, please contact our adjudication staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
Northern Region
