22-2171 has two enlargements 22-11003 and 22-11004. Each enlargement was made for different reasons at different times before 1987. All three claims total 224 ac. However, I did not find that many acres being irrigated due to the canal that runs through the POU. Therefore, the latest enlargement is only worth 2ac, not 10ac as claimed.

Recommending PPD of 216 ac and 2.06 af (per 22-2171 license). Could not find other 8 ac. PCD is as licensed; kind of. Error in legal description based on lack of technology when licensed.
