SUBJECT: Notice of Claim Number 95-10664

Dear Ms. Welch:

In regard to our phone conversation today – enclosed is a Notice of Claim representing the water usage from the well which replaced the hand dug well, first used in 1946.

If you will recall, the original claim was filed for irrigation, stockwater and fire protection along with storage for those uses. We were unable to recommend the claim for the irrigation/storage uses but we can recommend it for a stockwater and domestic usage. However, before we can do that the claim needs to be amended to include the domestic usage.

Please review the claim and map and if it meets with your approval, sign and date under item 15 and return to my attention as soon as possible. Please make any corrections to the claim/map as needed. Would you also indicate the type and number of stock under item 8 on the claim?

I would appreciate it if you would return this information as soon as possible as this will allow me to complete the recommendation for the decree of your water right.

Be sure to contact me if you have any questions or comments.

Sincerely,

A handwritten signature in cursive script that reads "Linda A. Werner".
