SUBJECT: Notice of Error Reply on Notice of Claim to a Water Right Number 95-38

Dear Mr. Simpson:

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. On this Notice of Error you had disagreed with the priority date, stating that it should be March 1, 1957, and that your water right should be 95-37. And, it is noted, that you sent along several pictures of homes indicating that the Neeri House was built after your home, sometime after 1960 compared to your home which was built in 1958.

Unfortunately, we are unable to make the requested change to the water right for the following reason:

The Hayden Lake decree, issued April 10, 1969, lists the place of use for water right 95-37 as Government Lot 5, Section 4, T51N, R3W; Tax #6517. This tax lot is for the Neeri home whose original owner would have been Merlin Black. The tax number for your parcel is 22082, and unfortunately, the decree does not reference a tax number for the lot appurtenant to 95-38, only the legal description as Government lot 5, Section 4, T51N, R3W. That original owner's name was Charles Blackhart.

Based on this information, the water rights are appurtenant to the correct property.
Please feel free to contact me if you have any questions. I can be reached at (208) 762-2800.

Sincerely,

A handwritten signature in cursive script that reads "Linda A. Werner".
