SUBJECT: Notice of Error Reply on Notice of Claim to a Water Right Number 95-14781

Dear Mr. or Ms. Terrell:

We have reviewed the Notice of Error Reply information you submitted stating that the Notice of Claim for the Spokane River usage should not have been disallowed.

Based on the property valuation sheet showing a C-4 dwelling in place in 1965, along with the affidavits describing the history of the property, and assuming that construction would have commenced in the spring of the year, the claim has been recommended for decree with a priority date of May 20, 1965. I've enclosed a copy of the preliminary recommendation for your review. The final decree will be issued within the near future.

Please feel free to contact me if you have any questions. I can be reached at (208) 762-2800.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
