Subject: Notice of Change in Water Right Ownership 95-15502

Dear Mr. & Mrs. Lister,

I received your change in Water Right Ownership form today and after reviewing it, we will need a **copy of the signed and notarized Warranty Deed** showing it going from Mr. Figy to you. The copy you provided is not signed or notarized. You can either send it in the mail or e-mail it to me, but either way, please let me know what you decide. If I don't hear from you within a couple weeks, I will send your claim back to you.

If you have any questions, please feel free to call.

Thank you!
