Subject: Lowen Reynolds property wonership change
Attachments: Homer chain of deeds and amend to trust.pdf; successor trustee doc.pdf

Hi Dawn,

Thanks for meeting with me yesterday morning. It was helpful to find out what was needed for the process.

The first item attached includes the deed changes my grandpa, Homer Reynolds, did to move the property into the Limited Partnership 1 and the trust amendment that gives the interest of Reynolds Limited Partnership 1 to my dad, Lowen.

The first deed is where Homer placed the parcels into his personal name, the second places the parcels from his personal name into the partnership. The final document shows that Partnership 1 was to go to Lowen.

On the list of parcels on the attached deeds, parcel 10 corresponds to parcel 8 and 9 on the quiet title judgement. In early 2000's Homer split parcel 10 into an east and west split. The water rights is concerned with parcel 9 of the judgement (50N05W-19-5000).

I also attached the trustee doc you requested.

Please call me if you have any questions or my explanation is confusing.

Re: Change in Ownership for Water Right No(s): 95-7598 & 95-13376

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 762-2808.
