Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-7006 & 95-7013

Dear Ms. York:

We have been advised that some of the water users within your service area have drilled independent wells and have disconnected from your system. Would you please send us an updated map of your service area? If the point(s) of diversion have changed, please also include that information. This will ensure an accurate representation of your water right before it goes to the Adjudication Court.

Please send this information, to my attention, by July 6, 2018. Be sure to contact me if you have any questions. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
