RE: Ownership of Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-14590

Dear Water Right Claimants,

We received your Notice of Change in Water Right Ownership form with supporting documentation, and have update our records accordingly. As the change of ownership form you submitted was incomplete and did not include a mailing address, the address listed on the conveyance document you provided was applied to your contact information. Our department has been notified by the USPS that the address is not valid, preventing the delivery of all future correspondence relating to your water right claim.

To ensure that you are able to receive future mailings from our department and the Court, please complete the enclosed Change in Address of Notice of Claim form and return it to our office at the address listed above. As this claim is still pending in the adjudication, there is no charge for the address change.

Feel free to contact our office if you have any questions or if any further changes need to be applied to your claim. We can be reached by phone during business hours at 208-762-2800.

Best Regards,
