Please type or print clearly, fill out this form completely and mail.

Return this reply form to IDWR by the deadline date printed below if you want IDWR to change your recommendation or you want to let IDWR know that you agree with its recommendation.

YOUR DEADLINE FOR RETURNING A NOTICE OF ERROR REPLY IS: March 30, 2018

Water right number: 95-7006

PANHANDLE VILLAGE WATER SYSTEM

PO BOX 281

RATHDRUM ID 83858

Telephone Number: 2086870517

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

PUWS does not serve water to all the properties in their claimed service area. The two points of diversion are not physically connected thus the wells cannot serve the ENTIRE SERVICE AREA claimed.

2. Describe the changes you wish to make in the proposed recommendation:

I want my property removed from the claimed service area.

3. Give a brief explanation as to why you disagree with these portions:

PUWS does not serve water to my property and is physically disconnected. The wells are not connected and are not connected to the water right. The water right was established in 1917. The water right's location should reflect the actual service area, physical infrastructure, and water use as of Jan 1, 2018.

I AGREE with this proposed recommendation: no changes need to be made.
