1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source): *The Two points of diversion, one from Ramsey, one from ATLAS ARE NOT CONNECTED so claimed service AREA is false, AND do not service all properties claimed*

2. Describe the changes you wish to make in the proposed recommendation:

I want my two properties to be removed from claimed service AREA. 16565 & 16467 Ramsey Rd.

3. Give a brief explanation as to why you disagree with these portions:

my two properties have their own well and are physically disconnected to PVWS. PVWS does not exist AS IN 1967 THE WATER RIGHTS application should reflect use AS of JAN 1st 2018
