Re: Notice of Change in Ownership (Correction of Name) for
Water Rights 95-9142, 95-9011, 95-8828

Dear Mr. Jones:

Enclosed please find a Notice of Change in Ownership form for the above listed water rights and claims for such rights filed in the CSRBA, together with our check in the amount of \$75.00 to cover the filing fees. This is a notice of a change in or correction of the legal name of the Claimant/Owner.

The name of the water right owner of record is "Young Living Lavender Farms," which is the assumed business name for Essential Oil Research Farm, LLC, a Utah limited liability company formed on February 29, 2000 ("EORF"). EORF registered to do business in Idaho on June 3, 2005. EORF also filed the assumed name with the Idaho Secretary of State on June 3, 2005. Copies of Certificates from the Idaho Secretary of State are enclosed.

The listed water rights licenses were issued in the name of Young Living Lavender Farms (the assumed name) following assignments of the underlying permits by the permit holders in July 2005. See copies of the assignments, enclosed. This Notice is filed to request that the name of the water rights owner be changed/corrected in the Department's records, the Adjudication Claims files, and in the final Adjudication Decrees to reflect the owner of record by its legal name of Essential Oil Research Farm, LLC, not its assumed business name.

Please let me know if you have questions or if you require further information or documentation to make the requested changes. Thank you for your consideration.

Very truly yours,

Linda B. Jones
