RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-10734

Dear Claimants:

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. In your reply, you requested to include the other half of your originally claimed parcel which was split in 2008. While your place of use for domestic purposes will remain on the one parcel that includes the home, the place of use for stockwater purposes has been revised to include both parcels. Pursuant to corrections made to the stockwater place of use, the Preliminary Recommendation for that water right claim has been revised. Please review the enclosed Preliminary Recommendation and irrigation layout map to ensure your agreement with the corrections made. Your request to change the ownership of this claim to the name of your trust can only be accomplished through the submission of an Amended Notice of Claim or a Notice of Change in Water Right Ownership. Both forms can be found on our website at <https://idwr.idaho.gov>.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
