SUBJECT: Notice of Error Reply on Notice of Claim (Claim) to a Water Right Number 95-10559

Dear Mr. Richardson:

In response to our phone conversation of June 21, 2018, where we discussed the first usage date for claim number 95-10559 – enclosed is the following:

A revised preliminary recommendation showing that this claim has been recommended with a priority date of August 20, 2016. Tax lot records show that a home was built on this property in approximately 2017; consequently, the claim has been recommended for a domestic usage with a priority date of August 20, 2016.

This information will be reported to the Twin Falls Court in the next several months. Shortly after that, a letter will be sent to you outlining those findings and will include further information as to what needs to be done if you would like to file an objection.

If you have questions or need more information, feel free to contact me at (208) 762-2800.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
