MEMORANDUM

TO: Files 22-07120 & 22-07208

FROM: Pam Skaggs^{PS}/State Office

SUBJECT: Transfer 5200

DATE: January 13, 1999

Transfer 5200 changes the place of use under Rights 22-07120 and 22-07208. A portion of the originally licensed land has been sold without water rights. Those 62.0 acres along with 34.0 acres from the corners around other pivots are being combined to irrigate a 96.0 acre pivot in the SW, S35, T07N, R43E.

The 472.0 acre place of use under Right 22-07120 is completely overlapped by the 1912.4 acre place of use described under Right 22-07208. Both rights covered the land that was sold, and the remaining 34.0 acres were irrigated under Right 22-07208 alone. No expansion in use occurs through approval of this transfer.

Recommended conditions include watermaster control, irrigation overlap, measuring devices, specific license conditions and standard transfer conditions.
