RE: Notice of Error Reply for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-11395

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claim. We are unable to make the requested changes to the water right claim recommendation for the following reasons.

The Notice of Claim to a Water Right identified with the number shown above was filed for the domestic use of groundwater for one home with a claimed priority date of October 30, 1995. The Notice of Error Reply you submitted for the claim requested that the recommended purpose of use be revised to include domestic use for a second home. Before our recommendation of your claim can be revised, an Amended Notice of Claim to a Water Right form reflecting those changes must be submitted. Currently, Kootenai County records indicate only a single residence located on your property (Tax Parcel No. 52N04W140075) so additional evidence of the second home being served water on the lot should also be included with the amended claim.

PLEASE NOTE: The home to the north of your property that shares your well, owned by Charles and Debra Allen, has already been claimed in the adjudication and was assigned Claim No. 95-11380.

For your convenience, I have enclosed an Amended Notice of Claim form with instructions. If you have any questions, please contact our adjudication staff at the Northern Regional Office during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Rights Supervisor
