Al, I'm going to ask Kay Walker to get 22-7370 licensed from which you can do a recommendation. Permit 22-7369 has not had proof submitted. I asked Bill Graham to check on submitting proof early. You could proceed with 22-7369 for now with the elements as permitted and the A01 Condition Code.

Don, I have two claims by the Water Resources Board, 22-7369 and 22-7370. Both are minimum stream flow for the same stretch of Teton River. I attach a layout for your perusal.

Your thoughts as to how I recommend these.... << File: 22-idwrb.jpg >>

Subject: IWRB Instream Flow Claims/Fees

The IWRB has an existing time payment obligation to make the third of five payments for the first ten instream flow claims filed by the IWRB. This obligation is \$572,040 principal payment and about \$171,600 in interest, depending upon the time of the FY91 payment. The outstanding balance for this account is \$1,716,120 plus interest at 10% per year beginning on August 22, 1989.

The IWRB has filed a claim for Devil's Corral Springs in FY90 and paid the entire fee of \$4,850. This claim is not a part of any present or future payment plan.

The IWRB has asked for an appropriation to file the claims below during FY91. The recommendation in the Governor's budget and in our agency request is for \$74,200 to make the first of five payments for these claims. Some interest has been expressed in paying the claim fees in full from surplus and the entire fee amount is shown should that alternative be selected.

- Next to 65-12733 Payment Due: *110,050*
- To the right of the table: *\$ 135,050.*

In summary, IWRB has an obligation to make a payment for the claims already filed. That payment for FY91 will be about \$743,650 with the amount varying slightly depending on the interest due. If this time payment account were to be paid out the payment would be about \$1,887,730 if paid August 21, 1990. Additionally, the IWRB is seeking an appropriation to file seventeen additional claims. The payment plan amount and the total fee amount for the seventeen claims are shown above.
