Cheryl,

The letter sent to Riverstone Master Association, dated June 19, was sent in response to the Notice of Claim to a Water Right submitted to IDWR by Riverstone on February 19, 2010. I have attached a copy of that claim for your reference. The Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) progresses by basin and we are currently reviewing basin 95 claims. If the contact address for the claimant has changed, please correct the address by submitting a Change in Address of Notice of Claim form. If the claim ownership has changed, the submission of a Notice of Change in Water Right Ownership form is required. Both forms are available on our website at www.idwr.idaho.gov. Please contact me if you have any further questions or concerns.

Regards,

Evan,

The Riverstone Master Association was developed and just recently turned over to the property owner's control. They are attempting to obtain all the information in regards to your letter dated June 19th, but in the meantime, would you be able to send me any information you have on the water right claim which was submitted in reference to this.

Thank you for your help with this.

Hi Cheryl. I received the attached notice in our office regarding a notice of claim to a water right for Riverstone Master Association.

Evan, please note that the 111 N. Post St., Suite 200, Spokane, WA 99201 address is no longer a valid address for correspondence with Riverstone Master Association. Cheryl can provide you with the current notice address.

Thanks, Mike
