Subject: NOE for 95-9251

Linda,

I updated the POU shape and address for 95-9251 per the NOE request. No other changes were made. I will update the NOE tracking on the N drive when Dawn “releases” it. The following info is from the Secretary of State Business Entity Search:

TREASURER	KIM VIDALES	391 S WINDSWEPT TRAIL	POST FALLS	ID	USA	83854
-----------	-------------	-----------------------------	---------------	----	-----	-------

It looks like Kim Vidales (who’s address in on the NOE) is an officer in the association. The next annual report from the association is due in August, 2018.
