Notice of Claim to a Water Right Number 95-12746

Dear Mr. Brunner:

On February 26, 2018, you submitted a Notice of Error Reply on the above reference water right. On this form you indicated that the water right should be for four homes.

As a result of this notice, we have reviewed the above claim and have recommended it for a domestic usage for three homes, as it was initially filed. This includes two homes listed with an address of 568 E. Brunner Rd. and one home with an address of 10 E. Brunner Rd. The fourth home is covered under water right number 95-11631, issued to Francis Brunner.

Please note that during that review of the claim it was noted that the dwelling at 10 E Brunner Rd., has a year built date of 1980. Based on that information, we changed the priority date from May 22, 1970, to May 22, 1980. This is because when more than one home is listed on a water right, we need to go with the priority date of when the latest home was built.

We've also been advised that there may be an ownership change on both of the parcels mentioned above. Consequently, I am also enclosing a change of ownership form, with instructions. If this is the case, please return the completed form, along with the required support documentation, to my attention. We will update our records upon receipt of this information.

If you have any questions, please call me at 208-762-2802 or by email at [linda.werner@idwr.idaho.gov](mailto:linda.werner@idwr.idaho.gov).

Sincerely,

Linda A. Werner
