Dear Madam/Sir:

I have water rights, active license to irrigate my orchard using water from the Coeur d'Alene Lake (**water right No. 95-9050 and water right No. 95-9065**). I moved from Federal Way, WA (3616 SW 330 Street, Federal Way, WA 98032) several years ago to my home on Coeur d'Alene lake (where I use the water for irrigation). When the examiner inspected my irrigation system, he issued a cfs rate at 0.1, but forgot to record the amount so he first granted 0.03 cfs. He came back re-inspected the irrigation and remembered that he had granted 0.1 cfs so he issued a second rate of 0.07 cfs to make up the full 0.1 cfs rate. I have attached a copy of these activities from your website.

My new address is:

How do I go about changing my address in your data base? This will always be my permanent address since I am retired.

Thanks,

Rich Meyer

P. S. What is the current status of adjudication for my water rights? I've enclosed \$25 for that report since I was told that it costs \$25 to check on the status.
