Richard,

In 2010 you submitted a claim to combine water rights 95-9050 and 95-9065. These rights were combined to create 95-12865. We will be reporting this area to the Coeur d'Alene-Spokane River Basin Adjudication Court sometime this fall. You will be receiving a copy of the recommendation we will be making for 95-12865 and will have an opportunity to review the recommendation at that time. We will also be holding public meetings in the Coeur d'Alene area that you are welcome to attend if you have further questions or are interested in further understanding the Adjudication process. Information regarding the dates and times for these meetings will be in the packet that we send to you.

I have updated your address in our records and we will be refunding the \$25.00 fee you submitted, as there is not a fee to inquire as to the status of a water right.

If you have any other questions at this time, please feel free to contact me at 208-287-4909 or our Adjudication Hotline at 1-800-451-4129.
