Re: Notice of Change in Water Right Ownership 95-13004

Dear Mr. & Mrs. Guglielmo:

I received your Change in Water Right Ownership form with the Warranty Deed, but the Warranty Deed you included shows the property going from your names into your Living Trust. In order for me to process the change in ownership, I will need a copy of the signed and notarized Warranty Deed from when you originally purchased the property showing it going from the previous owners to you.

I will hold onto your Change in Water Right Ownership form for 30 days to give you time to get the correct Warranty Deed. If I have not received it in that time, I will return your paperwork to you.

I'm sorry for any inconvenience this may have caused. If you have any questions, please feel free to call.

Sincerely,

Dawn Lenon
Technical Records Specialist 1
