any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Grantor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear.

4. To pay: at least ten days before delinquency all taxes and assessments affecting said property, when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust. In addition to the payments due in accordance with the terms of the note hereby secured the Grantor shall at the option, and on demand of the Beneficiary, pay each month 1/12 of the estimated annual taxes, assessments, insurance premiums, maintenance and other charges upon the property, nevertheless in trust for Grantor's use and benefit and for the payment by Beneficiary of any such items when due. Grantor's failure so to pay shall constitute a default under this trust.

5. To pay immediately and without demand all sums expended by Beneficiary or Trustee pursuant to the provisions hereof, with interest from date of expenditure at eight per cent per annum.

6. Should Grantor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, or in enforcing this Deed of Trust by judicial foreclosure, pay necessary expenses, employ counsel and pay his reasonable fees.

B. It is mutually agreed that:

1. Any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3. At any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey all or any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or change hereof.

4. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in any reconveyance executed under this deed of trust of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

5. As additional security, Grantor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Grantor the right, prior to any default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. Upon default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In the event of default, Beneficiary shall execute or cause the Trustee to execute a written notice of such default and of his election to cause to be sold the herein described property to satisfy the obligations hereof, and shall cause such notice to be recorded in the office of the recorder of each county wherein said real property or some part thereof is situated.

Sorry that I am just now getting back to your questions re the Basin 63, Part 2 uncontested recommendations.

You are correct that the combined use remarks for 63-8551A & B should reference 63-8630 and not 63-8930. [the combined use remarks for 63-8630 are correct]

Subject: 63-8551A, 63-8551B, 63-8630

Jan,

Water right Nos. 63-8551A and 63-8551B have a combined use limitation remark with water right 63-8930. I think it should be 63-8630, not 63-8930.

RE: Snake River Basin Adjudication (SRBA)
Water Right No. 63-22753, 63-22754 & A63-08551B

Dear Property Owner(s):

Thank you for advising the Department you are the owner of the property with the water rights referenced above.

Before we can modify our records to reflect your ownership of these water rights, we need to have the enclosed Notice of Change of Water Right Ownership form completed. Please follow the instructions on the back of the form and return to our office with all of the required information.

In an attempt to answer your questions, water rights 63-22753 and 63-22754 are for wells used for Domestic and Stockwater purposes. They have been decreed by the SRBA Court, and those are the copies you received from them. This information is for your records, unless there have been any changes, in which you have already notified the Department of these changes. Claim number A63-08551B is for a well used for Irrigation purposes. Irrigation claims will be reviewed and decreed at a later time. At this time, we will change the ownership into you names upon receipt of the proper documentation.

If you have any questions regarding this letter, please feel free to contact our office.

Sincerely,

From: Denise Buffington
Date: September 21, 2000
Subj: Ownership of property, etc.

I spoke with M Kay Otten today concerning the ownership of the above referenced water rights, formerly owned by Orville Otten (her father-in-law). There are 2 homes on the property. Water right # 63-22753 has a priority date of 1985 (2nd home). Water right # 63-22754 has priority date of 1978 (1st home). Orville had a home on the property, then later added 2nd home for his son... Water right # A63-08551B is for irrigation use for 1.5 acres.

M Kay and her husband (Orville's son) acquired the 1.5 acres, and the 2nd home with 1985 priority date. The first home with 1978 priority date belongs to a Mr. Charles Anthony.
