Copy of Proof Report 95-2187

This is a family business Cross T Enterprises - we got a new tax 10 because the accountant was under the impression that Cross T Enterprises had lapsed. That was not true but we kept the new tax 10# and the name Cross T Timber to use for the logging expenses and income.

They are the same company (family business) my brother & I will pass it on to our children. The address didn't change, because I was mom's caretaker & we lived in the same house.
