RE: Completed Claim Needed for CSRBA Claim No. 95-14989

Dear Claimant:

The Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim. We are unable to recommend your adjudication claim to the Court for the following reason.

The Notice of Claim to a Water Right identified with the number shown above was submitted for the domestic use of spring water in one home, but the claim form was incomplete. Sections 2, 6, and 7 must be completed in order for the claim to be valid. These sections include the priority date, period of use, and quantity of water diverted. For your convenience, I have enclosed a draft CSRBA Notice of Claim to a Water Right form with all pertinent information carried over from your original claim. Additionally, Sections 2, 6, and 7 have been filled in with the information provided in your domestic claim for lake water, Claim No. 95-14976. Please review the enclosed claim form to ensure it accurately describes your water use, and initial any changes made before signing. After your review, return the signed claim form to our office at the address listed above. The filing fee for this claim has already been paid and is not needed.

PLEASE NOTE: IDWR will reject this claim and it will not recommend to the CSRBA Court if the completed claim form is not submitted within 30 days.

Do not hesitate to contact our adjudication staff if you have any questions or concerns. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Sincerely,

Evan W. Roda
