Hi Evan,

Thanks for meeting with Loretta and I yesterday. We appreciate the time you and Suzy spent with us. As we discussed we have had difficulties with getting some correspondence from IDWR via the mail. Loretta and I are sometimes gone for long periods of time in the winter months. The best way to contact us is via email. My email is bigjohnangus@gmail.com and Loretta's is bajascout2010@gmail.com.

Please send us an email in addition to any mailed correspondence so we know to be on the lookout for it or to contact you if we do not receive it.

Thank you in advance . . . John Sutherland
