RE: Wolf Ditch Claims 22-00589 and 22-00588

Dear Mr. Ruberry:

You met with the president of The Teton Island Feeder Partnership Rod Dalling recently. He has told us of the discussion that was had. He informed me that we needed to inform you of our decision. We have decided to relinquish our claim to the above stated claims. We are doing this to allow you to amend The Teton Island Canal Partnership claim to include these two water right claims. We are part of The Teton Island Canal Partnership and our water is delivered through their system. We believe it makes more sense to have our claims included with their claims. We hope this will not complicate the process but facilitate it. We appreciate your help in this matter. Please call me if you have any questions.

Thanks,

Milton S Wilding
