RE: Subcase No. 95-10811 (Eidson)

Dear Clerk:

Enclosed please find an Amended Director's Report for Water Right Subcase No. 95-10811 to correct an inadvertent typographical error, the misspelling of the Claimants' last name.

Rule 5 of AO1 specifies the Amended Director's Report will be docketed and any party wishing to file an objection to an Amended Director's Report may do so by filing an Objection within 21 days following the notice of filing the Amended Director's Report, unless a different schedule is ordered by the Court. The original Director's Report in this subcase was filed on August 2, 2018, providing an objection deadline of April 30, 2019. In an effort to avoid overlapping deadlines for the filing of objections in this matter, the Department recommends the Court specify the objection deadline of April 30, 2019 controls.

Please let me know if you have questions or need additional information.

Sincerely,

A handwritten signature in blue ink that reads "Andrea L. Courtney". The signature is stylized with a large, sweeping "A" and a cursive "Courtney".

ANDREA L. COURTNEY
Deputy Attorney General for the
Idaho Department of Water Resources
