Re: Snake River Basin Adjudication (SRBA)
Canyon County - Domestic Claim

Dear Mr. and Mrs. Stringer,

We are returning your Notice of Claim to a Water Right filed for your property in Canyon County. We are also enclosing Receipt No. W007127 in the amount of \$25.00 for your filing fees. Please keep this receipt for your records. We have noted a problem with your claim which requires clarification.

It appears that this claim may seek to identify a right previously licensed by the Department of Water Resources for domestic purposes. (Claim No. A63-07367, copy enclosed). Is this correct? If so, you may choose to:

(1) Sign, have notarized and return A63-07367 (you may make changes to this claim by lining through information and initialing the changes) or

(2) Return the original hand-written claim and we will pursue the rights as claimed.

If you choose to file the hand-written claim, you should understand the limitations that may be placed on your water use. If the homes in question are used as rental properties or are under multiple ownership, water diversion under the hand-written claim would be restricted to no more than 0.04 cfs (about 18 gallons per minute) or a total of 2,500 gallons per day.

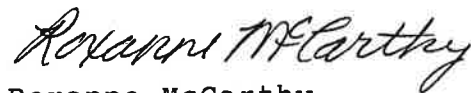

To provide for adequate water, you may choose to file A63-07367. The cost of this filing would be \$50.00 plus \$100.00 per cfs: a total of \$76.00. The fee paid, \$25.00, could be deducted from this total, leaving a balance of \$51.00.

Please return your claim to my attention by May 4, 1992, or late fees may apply. If we do not receive the documents by that date, we will assume you do not wish to continue the filing process and will begin the refund process of your filing fees. Do not hesitate to contact this office if you have any questions.

Sincerely,
