Re: Change in Ownership for Water Rights 95-7688, 95-15703, & 95-17508

Dear Claimant:

You recently received a mailing from our office that informed you of the completion of the Ownership Change for the above water rights. The ownership change has been completed, but 2 of the water rights were recommended to the courts when it should have only been one. This mailing corrects that error. Please disregard the mailing that went out on 9/12/2018.

If you have any questions, please feel free to call our office.

Sincerely,

Dawn R. Lenon
