Dear Ms. Buffington:

Please find the attached Notices of Change of Water Right Ownership. These forms do not indicate any changes in the City of Boise's ownership, but request changes to how the City of Boise is listed as owner on its claims. Our intent is to have all the City's claims listed under the same format: City of Boise, followed by the managing Department and address.

Hopefully the forms are completed to your satisfaction. There are three forms and accompanying lists of water rights; one each managing department within the City of Boise. Also included is a list of Department heads as requested in item 7 on the Notice. If you have any questions please give me a call at 384-3984.

REMARKS:

The reason I am recommending this amount of
water is that the system can only be operated
for short periods of time the park is utilized during the
day and on weekends so water is done early in the morning
and at odd times to facilitate park use so a larger
diversion rate is necessary
