RE Claim No. 63-7646

Dear Mr. Simmons,

Enclosed is the amended claim we spoke about at the public meeting on October 18, 2006. You will note that I corrected the address and added irrigation as a use. The claim now reflects the licensed uses for the earlier development of the Dahl Subdivision.

During our conversation, you indicated that Delaware Street which bounds the subdivision on the north is being vacated and incorporated into the subdivision, and you inquired as to whether this portion of the vacated street could be irrigated under this right. I calculated the acres of the first phase of the subdivision and found that you are irrigating below the 6.2 acres licensed, so there is not a problem with the subdivision irrigating this very small additional acreage.

If you have additional questions, please call me at 334-2190. Otherwise, please sign the amended claim, have it notarized and return it to me in the enclosed envelope.

Sincerely,

Vicky L. Music
