E. REASONS SUPPORTING OBJECTION(S): _____

I mistakenly limited the period of the year when I filed the initial ground water rights claim in 2009 and I wish to correct the period. I chose the period based upon our usage then, rather than considering the reasonable social and economic value of being able to use water year round. Since 2009 we have retired and remodeled our home and cabin and want to spend more extended time there. The period of use should be 1/1 to 12/31 to provide reasonably efficient use of our property for us and future owners. The water use is minimal and only for domestic use so it should not injure other water rights.
