SUBJECT: Notice of Error Reply on Notice of Claim to a Water Right Numbers 95-7006, 95-7013
Filed by Todd Zimmermann, Jackie Lynn and Mark Davis

Dear Mr. Williams:

The Idaho Department of Water Resources has reviewed the Notice of Error Replies for the above referenced water right claim(s) as filed by Todd Zimmermann, Jackie Lynn and Mark Davis. In the Notices of Error they requested that we remove their parcels from the map of the Panhandle Village Water System users because they have disconnected from the system.

Per our discussion on Wednesday, October 17, 2018, regarding this matter – enclosed is a map showing that their three parcels are no longer included in the map of water users from this system; for your information. This includes parcel numbers 057600000110, 057600000120 and 057600000130. No other elements of the water rights have been changed.

The preliminary director's report for these claims will be available in approximately spring of 2019 and we will send you a copy of our recommendations for your review. In the meantime, please feel free to contact me if you have any questions. I can be reached at (208) 762-2800. Also, information relative to the claim file may be viewed at www.idwr.idaho.gov under water rights search.

Sincerely,
