RE: Splitting of SRBA Claims 22-7255A AND 22-2267A

RECEIVED

APR 12 2004

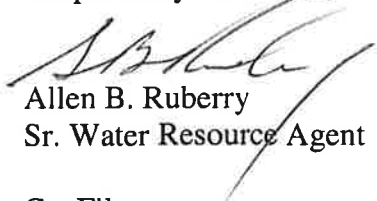

Dear Property Owners:

Department of Water Resources
Eastern Region

I have recently received documentation from Brooke Saindon, American Reality West, Inc., that attempts to split the above referenced water rights among you, the new property owners. Upon examination of the documentation presented I find the wrong form has been used. I am enclosing Notice of Change Water Right Ownership forms, one per each, to accomplish this effort. Please sign as tagged and return your completed form to me by April 20. Do not attach any other information as I have the deed and map copies as provided by Ms Saindon.

Thank you for your attention in this matter. If you have questions or concerns please feel free to contact me.

Respectfully submitted,

Allen B. Ruberry

Dear Allan,

Enclosed is the information on the property we discussed on the phone yesterday. I completed as much of the application as I could.

It is my understanding that you will complete the application, mail it to the 4 individuals for their signature and they will return it with the application fee.

If you have any questions or need additional information, feel free to give me a call. I will be out of the office Friday – Monday, but you can talk to Andrea, my assistant, in my absence.

Thanks for your cooperation.

Sincerely,
