1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

It's the wrong property. I need Block 2, Lot 4 to have water.

2. Describe the changes you wish to make in the proposed recommendation:

*I need water to the property Lot 4, Block 2, Sunset Cove.
Parcel No. 07900002004. Please make the necessary change.*

3. Give a brief explanation as to why you disagree with these portions:

Incorrect parcel, I have no sewage rights (gave a neighbor an easement + they added sewage rights that I overlooked). THIS IS a fake view lot + I'm taxed on a \$60,450 property value. Without water + sewage this property is of little value.

☐ I AGREE with this proposed recommendation: no changes need to be made.
