State of Idaho,

I have been superintendent at this location, Tetonia Research & Extension Center since January of 1983. I have irrigated the area as located by your staff during all those years to the present time. Prior to my assuming this position the well and mainline were put into use and I have continued to irrigate as delineated.

Sincerely,

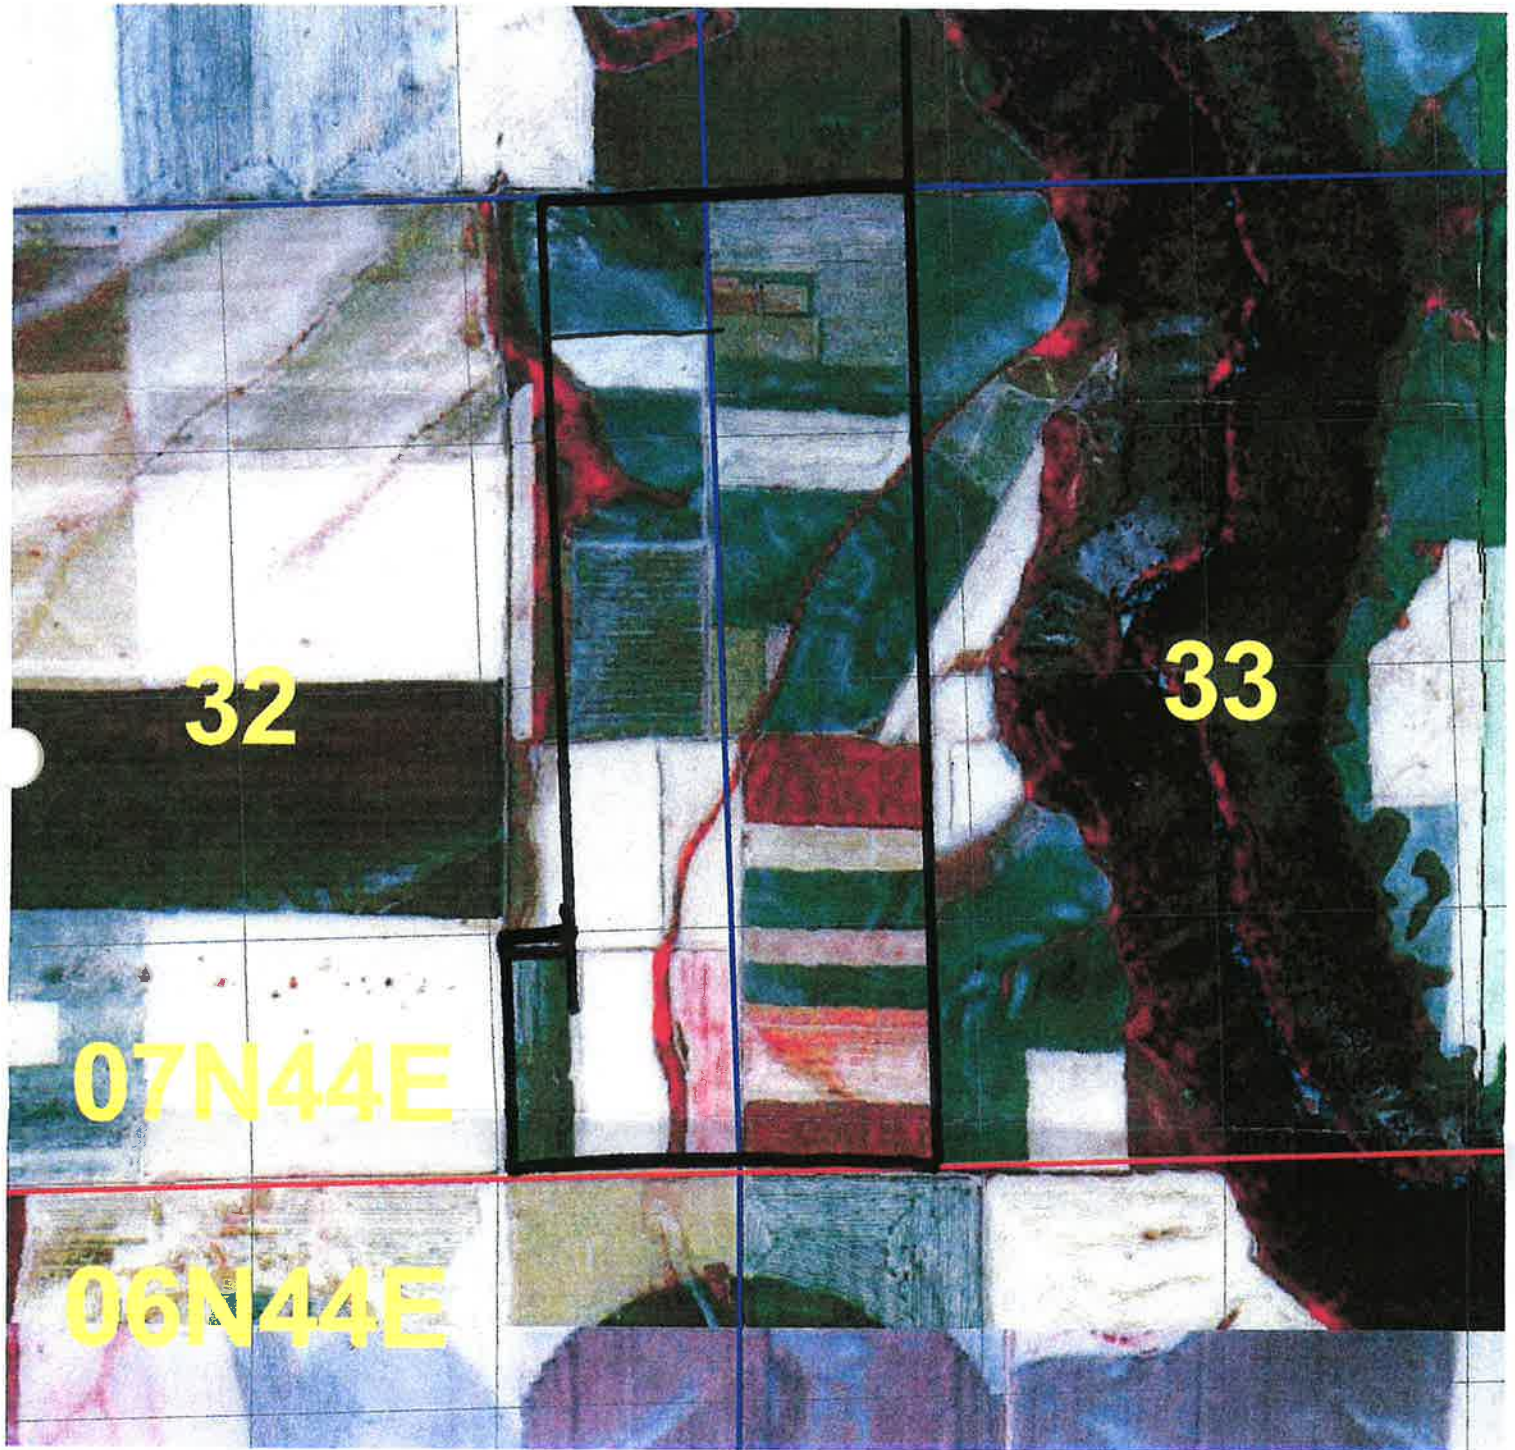

James C. Whitmore
Superintendent

RE: Enlargement Claim 22-13510

Dear Jim,

Enclosed is a copy of the enlargement claim we discussed together. Please sign it before a notary and return it with the fees described on the invoice. The enlargement is for 51 acres above the licensed place of use for 22-7240 for a total of 342 acres. The fees have been paid for 331 acres already, so only 11 acres remain unpaid.

Also, please remember to include the evidence to support the priority date on the claim. Thank you for your assistance in getting everything straightened out. If you have any questions, please call.

Respectfully,

Kristin Moore
