To: Carlsen, Ernie
Subject: Right 22-135 over-recommended

Ernie,

Recommended claims A22-135 and A22-13303 (both for original water right 22-135) total 3.37 cfs exceeding the original right of 3.2 cfs. Should 22-135 have been reduced, or are the remarks inaccurate in 22-13303?

Tony

- Renumber 22-135 to a 10,000 #.

- Reduce 3.20 to 3.03 cfs.

- Update ledger

22-135

└ 22-13303 - 0.17 cfs
└ 22-13303 - 3.03 cfs - 125 ac 2.50 cfs

Gentlemen:

Our records show you have filed your adjudication claim(s) in the Snake River Basin Adjudication. Our records do not, however, include a clear map of your service area. Would it be possible for us to get a map of your customer service area for your municipal water system, both to supplement the record of your claim(s) and for use as described below?

In our review and investigation phase of the Snake River Basin Adjudication, the map would be helpful for us to have this information in verifying individual claims to water rights for domestic purposes. We will be happy to discuss with you the most convenient way for you to provide this information to us. I can be reached at 327-7931 or you may contact my assistant, Anita Warntjes at 327-7986.

Your assistance in this matter is greatly appreciated.

Sincerely,

DAVID B. SHAW
Adjudication Bureau Chief
