Water Right # 95-4333

I disagree with the preliminary recommendation of my water right for the following reasons:

We built our home in 2001 and have been using the lake to pump water for irrigation on this property as well as my adjacent property. I am aware that the lake has been used to irrigate this property for at least 25 years.

I have also attached a document dated 11/27/95 which shows a dwelling built in 1930 from a residential appraisal report reflecting that as the priority date.
